## Our values

Our staff vision is to make Hackney a place for everyone. Where all our residents, whatever their background, have a chance to lead healthy and successful lives; a place of which everyone can be proud, with excellent services and public spaces, thriving businesses, and strong communities; a place that celebrates diversity, and where everyone can feel valued, included, and involved.

As a potential employee of Hackney Council, we want to make you have the best recruitment experience as possible and have provided some [handy information about applying for a role](#).

At Hackney Council, our staff values underpin everything we do. We are **Inclusive, Pioneering, Proactive, Open, Ambitious and Proud**.

Please take a look at the videos below which feature our staff talking about how we incorporate the Hackney Council values into their working life.
